

2020 Safety Campaign

# STOP AND THINK!

During the course of the year the Workboat Association will issue a number of targeted safety collections from around the industry that have significant interest to Workboat Operations.

Six Safety Collection topics have been agreed; *(Not in campaign order)*

- **Confidence surrounding Competency**  
*Having the confidence to acknowledge and discuss if you are not self-assured with any parts of your duties or tasks onboard.*
- **Enclosed spaces**  
*Guidance on the risks related to working with 'Enclosed' or 'Confined' spaces onboard Workboats and small vessels.*
- **Maintaining a proper lookout (ColRegs: 5)**  
*The importance of, and what constitutes a "proper" lookout onboard Workboats and small vessels.*
- **Passage planning**  
*The importance of thorough pre-departure planning and preparation, and the best practice to maintaining a live passage plan whilst underway.*
- **PPE**  
*'Obtaining, maintaining and wearing' the correctly fitted and job-specific PPE at the correct times onboard.*
- **Seat belts and passenger management**  
*'When, why and how' to implement and maintain a safe seatbelt usage ethic onboard.*

During Seawork 2020 both members and non-members are invited to join our Safety Forum in support of the **Stop and Think!** campaign from **14:00 to 15:30 on Wednesday 10<sup>th</sup> June** at the onsite conference facilities.

We encourage those with interest to learn more in relation to the mentioned topics to join us at Seawork. Alternatively, if you do have expertise in any of these topics we ask you to contact us via:
