

# Workboat Code 2 Requirements ECS and Radar Training

As of **1st January 2022**,

All Masters and those responsible for Navigation on board Workboat Code 2 vessels (fitted with ECS and Radar) must have received;

- MCA approved Radar training, and
- Electronic Chart System training appropriate to the type of equipment on the vessel.

## WBC2 Annex 3 quote

### 2.11 Radar Training

*In any vessel that carries radar, the Master and any member of the crew who is likely to use the radar is strongly recommended to undertake appropriate training e.g. the Small Ships Navigation and Radar Course, the MSQ unit 'Use of Radar for Safe Navigation and Collision Avoidance on Domestic and Code Vessels', or other course subsequently approved by the MCA. This strong recommendation becomes a requirement 3 years after the publication of this Code.216*

### 2.13 Electronic Chart Plotters Training

*It is strongly recommended that training appropriate to the type of equipment on the vessel must be undertaken by the Master and any other crew member responsible for navigation. This strong recommendation becomes a requirement 3 years after publication of this code. Note: the MSQ unit 'Operate non-ECDIS marine Electronic Chart Systems', developed by the NWA has been approved by the MCA as meeting this requirement.*

Training providers known to be supplying both courses in compliance with Workboat Code 2: *(Hyperlinks active)*
