

Dear The Workboat Association Member,

We are delighted to once again welcome The Workboat Association as a supporting organisation of the upcoming [Offshore Wind Journal Conference 2023](#) and [European Dynamic Positioning Conference 2023](#) and to extend a **20% discount** to all members. Simply enter promo code [CONFIDENTIAL](#) when purchasing your ticket.

**TICKETS**  
Use promo code [CONFIDENTIAL](#) for 20% member discount

Your ticket is an access-all-areas pass, allowing you to move freely between events, explore shared exhibition space and enjoy networking and refreshment breaks with all participants.

**EUROPEAN DYNAMIC POSITIONING CONFERENCE**

**Technology. Training. Safety**

Review market trends and drivers, remote DP tests and trials, DP application in the offshore wind sector, future fuels and autonomy, plus improving DP reliability, safety and incident reporting.

[Meet your speakers](#)

[Programme sessions:](#)

- ▶ DP sector and offshore wind review and implications for future fuels
- ▶ DP incident reporting, data capture and predicting environmental conditions
- ▶ Design, digitalisation and technology assessment
- ▶ Training requirements and safety considerations for crews of the future

[Read more +](#)

**OFFSHORE WIND JOURNAL CONFERENCE**

**A new era of dramatic growth**

Access the latest industry data, market trends and drivers as industry leaders assess technologies, designs and concepts of operation for next-generation windfarms.

[Meet your speakers](#)

[Programme sessions:](#)

- ▶ The view from the top: how offshore wind is shaping demand for hundreds of vessels
- ▶ Green ships for a green industry: options for low-emissions vessels
- ▶ The operation and maintenance market: the coming generation of vessels
- ▶ Offshore installation: next generation foundation and turbine installation vessels
